

CREATING THE BLUEPRINT

for event management software
since 1996

WHO ARE WE?

For anyone seeking a full spectrum event management suite, eShow is the high-quality software solution, that manages every detail of the event ecosystem with care.

Founded by **Raju Patel, the CEO and founder**, whom started eShow in 1996 as a website developer. During that time, there was a need for new products so he started creating innovative modules that assisted in the event planning process. eShow is built on the adaptivity of constantly evolving with today's technology needs, and has turned into a specialized event management company with over 16 products today.
